

GUN SAFETY RESOLUTION
Boise Unitarian Universalist Fellowship
May 20, 2018
Sponsored by Robert Huntley

Because Unitarian Universalists affirm the inherent worth and dignity of every life; promote peace, justice, and compassion; and

Whereas, Americans are 25 times more likely to be killed by guns than people in other developed nations; 93 Americans are killed with guns every day; and

Whereas, The Boise Unitarian Universalist Fellowship, in 2013, passed a gun safety resolution following the shooting at Sandy Hook Elementary, urging lawmakers support of the Feinstein assault weapons ban (Senate Bill 150 of the 113th Congress, 1st Session); and

Whereas, since the incidents in mass shootings and gun violence in our country have continued to increase while few measures have been taken to address the role access to firearms and the lack of regulation of deadly weapons plays in these incidents; and

Whereas, it is abundantly apparent that reduction of the incidence of deaths and injuries from acts of violence perpetrated by use of firearms, particularly rapid-fire, assault weapons and high-capacity magazines can be achieved through reasonable regulation consistent with preservation of rights guaranteed under the Second Amendment of the U. S. Constitution;

Now, therefore, be it hereby RESOLVED that the Boise Unitarian Universalist Fellowship takes the position that the following measures be enacted by state and national lawmakers:

1. Renewal of an assault weapons ban, similar to that of the Feinstein bill (see addendum for salient features of the bill),
2. Establishing a national firearms registry,
3. Establishing a national firearms licensing process which would include universal background checks,
4. Restricting the sale of firearms to those who may be at extreme risk as noted by law enforcement and mental health professionals;
5. Invest in urban violence prevention and intervention programs.

Be it further RESOLVED that the Boise Unitarian Universalist Fellowship commits to the following action steps to be a prominent, faithful voice of witness, advocacy, education, and protest, if necessary, in the public sphere:

1. Supporting community partners working on common sense solutions locally and nationally,
2. A public media campaign to make our voice, support, and adoption of this resolution prominent in our community (including but not limited to, press release, a letter campaign to lawmakers, opinion pieces, etc.)
